“ To Alonzo’s family. I am Alonzo’s friend Catherine Baker youngest daughter. I really miss him. I would call him and we would stay on the phone for hours. The same thing in person. He always asked my mom how myself and my husband are doing. He was very fond of us both. And we were fond of him. I am so happy that God allowed Alonzo to be a part of our lives. For my mom, I know you wish you could hear his voice one more time. One day we will all be joined together again. God bless you all.

“ To the family of Alonzo Johnson, Alonzo was a dear friend to my mother Catherine Baker. He will be truly missed. I would have to compete with him, often he called my mom 3 times a day! So I would hear her cell phone ring while talking to her, I would say "Ok ma its Alonzo gotta go talk to you later"! I truly appreciated him checking on her! Your fond of Alonzo will forever keep you.

God Bless!
