“ I want to share my condolences to the family. Alonzo is an awesome person. I will never forget the love and aura he had around him every time I saw him at school on the 3rd floor restaurant. He always made my day and always had the best hugs. I will always tell myself that I am still one of Zo's babies. He made sure I ate good like I was his child. I will never never forget my time with him. Thank you Zo for being part of my life during my time at school. Never was a dull day with you in it.
