“ Angie was so tickled that we both had kids named Jordan, and they were the same age. She'd would often call to tell me that she'd seen my Jordan at the bus stop that morning. I'm only sorry we never had a chance to get our kids together, even when we lived not too far from each other. Maybe one day the dream of having our Jordan's meet will become a reality. My sincere condolences to Angela's family.
