“ Giving Tribute to: *The Family of Ann Pressley,*

God the Master Artist; Has designed you in his plan, and has made a promise to show you His love.

He weaved the fine fabric of your life, and fashioned you according to his plan.

You must trust the Master Artist; and follow His design; as each thread intertwines.

You must trust the Master Artist; for He sees the pattern from the other side; so you must trust Him from beneath and allow Him to guide. He has seen your difficulties and your pain. A thread of sorrow sometimes is added, but you must still trust Him just the same,

God the master Artist; knows just what is best; for it is He who does the weaving, so just trust Him to complete the rest. You must trust the Master Artist; As he works behind the scene. For when the fabric is completed; God! will unroll the canvas and explain the scene.

*We the members of the Reid-Thompson Family; Empathize with the thread of sorrow that has caused the pain in your life.** As we continue to unite in Jesus, the memory of your LOVED ONE will continue to live in our heart and soul until Jesus come, when we'll be reunited,*
