“ *To the Family,
I was sadden to hear of the passing of my friend and work husband. We worked together for 20+ years and bonded over many things in our lives. We were both born in August (25 days apart), we had large families, our sons, and grandchildren. We could talk for hours about anything and everything, but mostly about our kids and grandkids. He was very proud of you all, and truly loved being a grandfather. He loved all the grandkids, but Tony's first little girl was the apple of his eye.
Unfortunately, we loss touch this past year because of a family issue I had. I had no idea he was ill and what he was going through.

I'll miss you my friend/work husband. May you rest in eternal peace.
