“ Sandra, It warmed my heart every time I had the chance to see Arnett. He always had a cheerful and sweet disposition no matter what he was going through. He was also such an encouragement to others who were struggling with cancer. It was so touching how much he loved you and how he was eager to openly express his love for you. He was quite an example to those around him and a witness to God's love for us. I pray that God will hold you in the palm of His hand as you mourn the loss of your loving and devoted spouse. You know I am here for you --anytime of day or night. Cindy
