“ My son was heartbroken over the loss of Arthur, his friend and confidante, which breaks my heart. My condolences, with prayers AND anger, will keep Arthur alive in my heart. We must seek and secure justice in his name. Arthur's name and legacy will be linked to our commitment to justice and a safer more peaceful DC.

“ *The hardest thing that I had to do yesterday, was meet your mom with you on my shirt. Art I was SOOO proud of your journey. I thank father God for reconnecting us last year. You sneaking on the phone talking to me after curfew. You were truly a great burst of energy. I've loved you forever, and will continue to. In such a short time, you became one of my confidants, and vice versa. I am forever grateful to be your friend! #OPI #OneHunnit #RogerThat 🙌 Friends4Life.*
