“ *Mrs Aurora was the kindest person I have ever met. 21 years ago, we met and we never spent a week without talking. She was my sister, advisor, and confident. Just her smile was enough to make my day. God took his angel back. We will meet again. Now you will watch over us. You will watch over Francisco, John and Mazengue.*

*We will never forget. You will always remind in our hearts.*

*You are back to your father*

*I will miss you Dear friend*
