“ Aunt Pokie thank you for being the kind-hearted, down to earth, and loving person you always showed yourself to be. You genuinely and unconditionally accepted me as your own and for that I thank you. When we first moved to Maryland we came to visit and you made sure we got our first taste of Maryland crab legs. Memories were created that will stay with me forever. From going to church, going out to eat, or just sitting around talking, I enjoyed every minute. Anytime our friends would meet you they'd later ask whose aunt you were; the fact that they couldn't tell spoke volumes about you. You'll never know how much our time together meant as you allowed me to experience something I never had. Aunt Pokie you were a jewel! Thank you for supporting Ronnie and I while we lived there in Maryland. Thank you for showing up in every way. We love you, Always!!!🥰❤️

“ Dear auntie my heart is hurting and I'm still in disbelief that your no longer here. Every time I think about it my eyes fill with tears. I remember our last conversation and you had my cracking up about what the green smoothie did to you. I'm going to miss talking and laughing with you but you can now Rest In Peace and breath freely. I'm crying right now as I'm saying goodbye but I know you're in a much better place just wasn't ready for you to go so soon. Rest in God's loving arms auntie. I will always love you and miss you ❤️❤️
