“ I would like to extend condolences to the family for your loss. At times like this only God's Word can give us real comfort, showing death will one day be swallowed up forever! (Isaiah chapter 25 verse 8) A true promise because God himself has spoken it. What a marvelous promise to look forward to, so may this warm promise bring you much comfort now and during the difficult times ahead.

“ We do not say Goodbye to Bernice, but God's speed on her way to Heaven. May the Light of God surround Bernice, May the Love of God enfold her; May the Power of God protect her; May the Presence of God continue to watch over her and wherever God is, Bernice is and wherever Bernice is, God is and all will be well. May the Divine Light illumine you and your Family's path, during this time of grief.
