“ "BJ" was a man with a heart of pure gold who cared about everyone in his circle of life. My fondest memory is when I was appointed to work in the finance office at church and during the check and balance process after counting and recording collections, if the money didn't match the said collection, BJ would reach into his own pocket to make things balance. He also had a sense of humor that was most timely!!! Joan & Family, continue to look to the hills whence cometh your help...for your help cometh from the Lord. We'll miss BJ immensely. “ BJ had a heart pure as gold; had a genuine love for everyone in his circle of life and people he didn't even know. My fondest memory is when I was appointed to work with him and the other Trustees in the finance office and during the check and balance process after counting and recording the collections, if the money didn't balance back to the said collection, BJ would want to take money from his own pocket to make the money balance; he had a sense of humor that was most timely!!Joan & Family...continue to look toward the hills from whence cometh you help...your help cometh from the Lord. May God bless and keep you in his care.Love, Francis & Marsha
