“ Dear Armstrong Family: I wanted to send my deepest and sincere condolences during this unfortunate time in your lives, but I also wanted to share with your family a comforting promise that God gives in his Word the Bible about the hope of us seeing our dead loved ones again, it's found at John 5:28,29 which in part reads:"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life,". Your family will be in my prayers, my sincere condolences.

So sorry to hear about Betty. We offer you our deepest condolences. We will always remember Betty. She was our neighbor for so many years. Our children grew up together. She was a lovely neighbor. As you continue your journey in life look to Jesus and He will carry you through all that you have to go through. Put your trust in Him and He will see you through.  
Love and Blessings.

“ Betty - you were a wonderful sister-in-law and an even better friend and a credit to both the Armstrong and Proctor families. You will be sorely missed because you brought all of us together so many times for holidays and important family events. The rest of us will try to carry on where you left off but we all know that we cannot duplicate your generous spirit and love of family.
