“ *You were my strength when i was going through my cancer and you have been an inspiration to me since then. We grew to know each other and, I found you to be an angel sent here from God. I will always treasure our talks and the friendship that we shared. You will always be in my heart and soul and I shall remember all that you gave to me in my time of worry. I will definitely miss that smile and laughter that could light up a room. Love Cousin, Beebie*
