“ *Cairo, my Cairo. My condolences to your family. I will miss you so much. Feels like just the other day you were at my desk asking me to sign off on your hours so you can get paid. You were smart, resilient, and one of the prettiest young women I know. Rest in the Lord's arms, your work is done*

“ My Cairo you were such a sweet heart from the first day I met you. I remember when you all had moved in next door to me, your smile was the first thing I saw that brightened up my day I was feeling down that day too. Watching you grow up you have grown into such a beautiful young lady. You're mom was so proud the day you graduated from high school. She was super excited when you went away to college. I would never think it would be you baby girl. You're going to be truly missed but you're definitely not going to be forgotten my beautiful princess. Now you fly high my sweet, sweet Angel. I love you always and forever!!! Lonnette 🥺🥺🥺🥺💔💔

“ I will always remember your smile and the sound of your laugh. You were always sweet to my daughter, even after a long day. I will remember your embrace and how your eyes spoke for you even when you said nothing. You will be missed here on earth. It's your time to spread your wings and become a guardian angel. You will always be remembered. May you rest in peace.

“ My deepest condolences to the family for the loss of your beautiful daughter. She will be greatly missed. My last memory of her was when I took her and my Godchild Diamond to buy groceries and she made a banana pudding. I didn't get to try it because I had to many sweets that day so I told her the next time she made one I would like a carryout tray to carry with me. Sorry I didn't try it then. I will continue to pray for the peace that surpasses all understanding for the family.

“Cairo was my daughters first baby sister. I was so scared as a new mom to have someone watch my child. I finally built up the courage when she turned 18 months to ask Cairo. She did she an amazing job and ensured my daughter felt loved and received all the care she needed. My daughter is 8 yrs old now and viewed Cairo has her big sister. Her favorite memories were getting her hair, nails and make up done by Cairo. She loved going over to visit her. Cairo you will be missed but we will keep your memory alive.
