“ I used to work with Carolyn at Prudential Insurance Company in the early 90’s. She overheard me talking about my commute to and from work one day and offered to give me a ride home from Bethesda every single day! We had to pass her apartment in Landover to get to mine in Forestville. Sometimes she would stop by her apartment first, holding me hostage for up to 2 hours. I would be so mad. LOL! I was too young to appreciate the fact that she never even asked me for gas money. The next thing I knew, two strangers became really great friends 😊 She eventually moved to Severn and I moved into her townhouse complex where our friendship blossomed even more. She was like a big sister to me. We eventually lost touch but I never forgot about her, Crystal and Candice. Something in my spirit told me to look her girls up on Facebook today and that’s when I saw Carolyn being laid to rest 💔 Rest In Peace my dear friend. I will forever cherish the memories and all the sisterly advice.

“ Family,

*I am sorry to have to come to you on these conditions, but I wanted to send my condolences to you in this tough time of bereavement. I have been knowing the family since I turned 15 years old, now pushing late 50s. What a blessing!! Time has flown by so fast. Just know that Carolyn will be truly missed by all on earth to join Mom & Dad on their path to after-life.*

*She was a very special woman, always caring in heart for All who came across her path.*

*Thank you for the good times we shared. Rest In Peace my dear sister.*
