“ In loving memory of Aunt CeCe, I extend condolences to all who know and loved her. I have very fond memories of her and my Uncle Lynwood being a part of all of the special occasions in my life. I was especially proud share membership in Alpha Kappa Alpha Sorority, Incorporated with her, my cousins and my daughters. Although my heart is saddened, I have so many beautiful memories of the stories she told and the time that we spent together. Praying for peace and understanding for her other family members.

“ Boy, did we have fun together going to the Casinos, having lunch together and seeing you at Dottie's. The last time we saw you at Dottie's, you said you would love to have some of those good chittlins that Jessie gave you last year and we were hoping to fulfill that request for you as soon as you got out of the hospital, as well as getting you to Live. Rest in peace, my dear friend. I'm really going to miss you and seeing that big beautiful smile. You're with Lyn, now. Love you, Ealise.”

“ *My sincere condolences and sympathy on the passing of my dear cousin, Cleo. This came as a total surprise and I feel that I have awoken from a very bad dream. Cleo and I bonded when I attended NCCU in the late 1950s and she was residing in Durham. She made sure that I taken care of and doing well. We always looked forward to seeing one another at Alpha Kappa Alpha conferences which we never missed and we were often in touch by phone. I could go on but...She is truly loved and will be sorely missed. Keeping us in thoughts and prayer.*
