“ Uncle Charles..... Well ,I remember all the good times I had at your house growing up. It won't be the same driving pass the house without you in the garage working on a car. I remember the parties in the basement you and Aunt Hattie hosted. You were always in good spirits every time I would see you. I remember when I was scared of your dog Pepper and you picked me up and calmed me down as a small child. I will miss you forever.
