“ Greetings Family. Ronnie Hawkins Grandson of Willie Mae Barnes Tensley son of Georgia Mae Tensley Hawkins. My deepest sympathy goes out from the Hawkins family. My memory of you is as a child and later as a teen and now as an adult. Unfortunately we've seen each other at to many of these types of occasions which Uncle Archie tried to avoid by having family reunions which while he was alive was happening. Since his passing many years ago no one has picked up that mantel. Now our children and Grandchildren don't know their relatives in other places. So we continue to do this. What's gonna happen when we finally die off? Will it all end then. Timmy my prayers and thoughts are with you cuzzo. I pray God grants you and your family peace. Love you cousin. I apologize for the speech...
