“ My Memory Library - © Sarah B. Blackstone

*Imagine if I was given one moment,
just a single slice of my past.
I could hold it close forever,
and that moment would always last.*

*I'd put the moment in a safe,
within my heart's abode.
I could open it when I wanted,
and only I would know the code.*

*I could choose a time of laughing,
a time of happiness and fun.
I could choose a time that tried me
through everything I've done.*

*I sat and thought about what moment
would always make me smile.
One that would always push me
to walk that extra mile.*

*If I'm feeling sad and low,
if I'm struggling with what to do,
I can go and open my little safe
and watch my moment through.*

*There are moments I can think of
that would lift my spirits every time.
The moments when you picked me up,
when the road was hard to climb.*

*For me to only pick one moment
to cherish, save and keep
is proving really difficult,
as I've gathered up a heap!*

*I've dug deep inside my heart,
found the safe and looked inside.
There was room for lots of moments;
in fact, hundreds if I tried.*

*I'm building my own little library,
embedded in my heart,
for all the moments spent with you
before you had to part.*

*I can open it up whenever I like,
pick a moment and watch it through.
My little library acts as a promise;
I'll never ever forget you.*
