“ Dear Uncle Godfrey, I miss you still. The joyous memories and moments you shared with all of us are still so vibrant, it reminds us how powerful LOVE is, and that it truly lives on. Just want to say, even now, what a gift you were in my life. I cherish all of the God conversations, and look forward to seeing you, Jonathan and many other loved ones again around the throne of God -- where our faith will be sight, and we will experience the answers to all of our questions. Until then, rest well in His presence. Love you, uncle.

“ Dearest Mary Elizabeth,  
I am so sorry for the loss of your loved one. May the beautiful memories that he created and cultivated sustain you throughout your lifetime, and may your children find peace in knowing that they are the recipients of a Rich Legacy of a Dad who apparently was some kind of a wonderful and Special Person.  
I did not know your "Godfrey", but I know you and that's enough for me to see him through you. When someone you love becomes a memory, the memory becomes a Treasure. To everything there is a season, A time for every purpose under heaven. Ec.3:1  
May God continue to bless you and your family.

“ I am sorry to read of the passing of your love one; please accept my sincere condolences. Losing a love one in death, is the most painful experience a family will ever have to cope with, because it was never a part of Jehovah God's plans, it was the penalty for disobedience.-Genesis 2:16,17. God loves us so much that HE created us with the desire to live forever, not to die.-Ecclesiastes 3:11. But HE made arrangements to redeem us from the pangs of death, a resurrection(Acts 24:15) when God will grant His son, Christ Jesus the power of the holy spirit to raise all those who are sleeping in death, back to life, with the hope of eternal life on the paradise earth; being reunited with their families.-John 5:28,29; 11:11-44; Luke 23:43. Until that promise is fulfilled, may the Godfrey Family find peace and comfort in God's love.-I John 4:8.
