“ Those wonderful days in Bealeton, VA are full of cherished memories. Uncle Sonny who never waited on time drove his pick-up truck visiting family and friends twice in the month of August 2012. He took those precious trips down Hwy 29 So. & No. seeing those rolling hills, farms, and mountains. Little did anyone know he had a spiritual secret. He was preparing another trip, a highway to Heaven. After returning from one of those trips, he telephone me one day and said with JOY...I had the BEST TIME of MY "LIIFE" in Bealeton.
