“ Dear Tilghman Family, Praying for GOD's tendering loving care towards you during the passing of your mother & grandmother. She was a very special lady who had so much love to give and share with more than just her own children. She made all of us feel loved and important just because and that's what GREAT people do. Therefore, think on these good things and know that she's earned her wings and rest. Wishing you'll peace and understanding in her passing but know that your extended family and friends are praying for you. Thanks for sharing your mom with so many others and we're grateful too. Her precious memories shall live on because that's what she would have wanted. God Bless you all and be encouraged. Love Always, Sharnitta

“ Aunt Sue, God saw you getting tired so he put his arms around you
and whispered "come with me." Although we loved you dearly, we
could not make you stay. A golden heart stopped beating, God saw
you needed rest. God broke our hearts to prove to us. He only takes
