“ I am not saying goodbye to my dearest friend for 60 plus years because she is a part of me. When I first met her she said " Come here and sit here because I can tell you don't know anything" . And at age 23, she was on target and right. She became my mentor, my buddy, my second mother, a sister and many, many things to me. Always a lady. never judgemental, always frank and out spoken sometimes in a soft voice and sometimes not so soft !. **REST IN A WELL DESERVED PEACE**, My friend in our Father's arms and house..Until we meet again. Much love, Mamie
