“ *To the family (Kayle and Alexis), the memories of your father, dad, brother and uncle are a way of holding on to all you loved about Him, all he gave to your heart.....all the ways he light shone into your life. Our Father tells us that I will never leave you, weeping may endure for a night, but joy comes in the morning. Family continue to hold on to God's unchanging hands, He will direct you. I (Ms. Willie Moore) love you, know that I am thing about you and that you are in my prayers.*

*With deepest sympathy,
Ms. Willie Moore- New beginning*
