“ David we were good friends as young peolpe but we did not stay in touch. I am sorry for not at least calling or sending a card on special occassions. Michael and I talked about you several weeks ago when we lost Bobby after he was sick for several years. I was also very sad to hear of your passing. I hope you had a happy life and that you received many earthly rewards. We all will make your journey and I hope we reconnect on the other side. Rest in peace my friend.
Your Friend,
Sandra Spears
