“ *To All of the Family Debora was the sister I never had and a bright light in a world mostly filled with darkness. The kind of person you could always depend on through thick and thin. Therefore, she will be greatly missed. Although no one can lift the grief you are going through, others will continue to honor her memory and what she meant to you. During this difficult time, continue to rely on the Lord.*

“ To the Dorsey Family, Ms. Joy Dorsey is a former CDC coworker who is a wonderful human being and understanding Ms. Debora was her twin the sentiment is the same. Please understand, I know what you are experiencing due to the lost of my younger brother 19 years ago. The pain has eased but it is still there. But know that JESUS gives us everlasting peace which will never leave us.

“ To The Family, Please accept my condolences right now when your loss is so fresh, it may be difficult for you to imagine that this pain will ever go away. But in time, the blessing of God's unfailing grace will soften the hurt that you're feeling and bring your heart the peace, comfort and hope it needs to heal. Until then please remember there's a circle of friends surrounding you who are embracing you and lifting you up in prayer. Debora R.I.P. Love and Peace, Esther Williams, USEPA, Retired
