“ *Debbie, I miss you to this day. You should not be dead, you are so sweet and such a wonderful sister in law and my friend. We had some great and fun times together. Every time I wear my hand painted python boots I think of you. I loved that we had the same although I never did get the lizard boots. That was one of the most memorable evenings we had. I hope your son is doing well I can only imagine his pain from your loss. I will always miss you and love you forever. Sorry it took me so long to come to terms to write this. Rest In Peace 6-5-2020*

“ Brother Thornton: "There is a God who reigns above, with a hand of power and a heart of love." He sent a Comforter to be with you and your family during these times, use Him every moment and He will not leave you. May God keep you and family under His arc of Safety.

“ To Ian and Debbie's family: May God give you the strength that you need to get you through the passing of Debbie. She was a great person and she enjoyed her specialty in hair design. She will definitely be missed by everyone. Hold dear to your hearts the love and fond memories that you shared with her. Ian, always know that your Mom is watching over you in heaven. God bless.

“ Please know that the entire family is in my thoughts and prayers during this very difficult time, I do not profess to know or feel the burden you carry at this time. I do believe that there is a God who is with you now and will be with you and Deborah during this trying time and forever more.
