“ *To the Corbin Family,
I wish to express my deepest sympathy as you endure this great loss. It is always extremely difficult to lose your cherished loved one, no matter what age they are. I am sure Debora was very important in your life, and the lives of those who met her. Although, I did not know Debora personally, I was deeply saddened to read of her death. Our Heavenly Father knows that your grief is real and painful and He promises that when Revelation 21:4 is fulfilled, death, pain and mourning will be done away with. And, that we will all have the opportunity to be reunited with our dear loved ones in the resurrection to come. I pray that this scripture along with your warm memories of Debora will comfort you until the time when you are reunited.*
