“ *OMG!!! My heart is truly breaking...I am just now finding out about my Dear Friend, Miss Dee Dee Welborn...I last saw her while she was recovering in Holy Cross...and have reached out to her so many times in the past weeks but had not heard back from her and had no way of getting in touch with anybody else and now to find out she is gone. I know that she is in a better place and I am so grateful to have been able to spend some time with her before she left us but my Heart is truly breaking. Dr. Beasley and Mrs. Beasley, please know that you two and your entire family are in my prayers and thoughts. I loved her and will miss her so much. Miss LRB*

“ It is with much sympathy that the Graham's family extend our condolences and love to the Welborn family. Dee Dee and I went to Hyattsville Middle school together and were locker neighbors in gym class and didn't even know it for awhile until we started talking about our younger days. Love you much Dee Dee and it's your time to rest in the Presence of the Lord now. I will truly miss you.
