“ Derrick taught, coached, and counseled his students. Former students would often visit with him and in their own way seek his opinion or advice about issues, teachers, or peers. Derrick counseled them with experience and wisdom. Likewise he counseled his friend. I will miss him. Randy Kozik

“ So many good memories from the past 30 years. I never think about the years at Northern Middle without remembering the good times. May your trip along God's pathway be as joyful as your life on earth has been.

“ To the family- I had the wonderful pleasure of working with Derrick for ten years at NMS and what made it even more wonderful was that he was my former teacher. Even after retirement he kept in touch with me with phone calls. That made me feel special. I will miss his laughter, jokes, and hearing about his travels. Thank you Derrick for everything. :)
