“ *there is so much I can say about this woman,my Angel.She was the most caring and loving woman known to everyone. always had her door open to anyone that needed a meal or a place to sleep.Her hearth was so big and her smile would brighten any room.The love she had for her children was tremendous.God has gained another perfect Angel.although we physically can't hold you and touch you,you will continue to touch the hearts of the ones that loved you so much. As for myself,I know you will continue to watch over me and bless me with your continuous love.Rest in Paradise my Lovely Angel🙏💜💜*

“ *Through life little sister, we laughed, we argued, we loved. You were a good sister, my heart always went out for you. Why?. Because you were you! I will miss your beautiful smile but I know you are flashing those Pearly whites in heaven now. No more pain, no more struggle, I'll miss your earthly self, but know we will meet again. Forever in my heart..... Your Big Sissy!!*
