“ I Anita Smith am the caregiver of one of her neighbor Miss Jerylean White and I just found that she has gone home to be with the Lord however my fondest memories were when I first met her and how much I told her that she remind me of my grandmother with all of her hospitality .before she went into the nursing home I spoke to her and she kept telling that my bus has pass and I kept saying to her oh Mrs Marshall that's ok because i want to talk to you after our conversation I am so happy to say the last three words before God call her on home and that i said to her was (I LOVE YOU) .I have no doubt in my mind that she knew I love her and for that there is no cries, sorrows or sympathy only joy why because heaven has once again received a beautiful angel and I say to the family stay strong and continue to follow the path that she has left behind for all of you. May God bless you all and I will keep you all in my prayers .
