This link will be live beginning @ 9:45am.

On March 3, 2021 Edward Juhans stepped into the arms of our Lord. Edward was born on February 21, 1951 in Washington DC. At an early age Edward was baptized at Bibleway Church and sang in the Diocese Choir. He attended DC public schools.

He joined the US Army in January 1971. Edward trained as a Lite Weapons Infantryman at Fort Polk, Louisiana. He received a National Defense Service Medal and Armed Forces Expeditionary Medal. Once Edward returned home

from Seoul, Korea he went to work at the Government Printing Office and the US Department of Interior for many years.

Later In life Edward suffered from a crippling car accident, and even with the limited use of his leg and arm, he maintained his good sense of humor. He was full of life and always wanted to help others. He was always generous in giving and sharing with the many children that were cared for at his mom's home. Edward brought life and smiles to his many friends, doctors and nurses at the VA hospital and Forest Hill Nursing Home in Washington, DC. He had many laughs and fun conversations with his mom and family from his medical facilities. These times will be missed.

Edward leaves to mourn, his loving mother Gertrude Juhans, four siblings, Deborah, Diane, Timothy (Marian sister -in law), and Larry. He also leaves two children, Douglas and Ashley, four grandchildren: Douglas, Yasmine, Kevin, and Isaac, his favorite cousin, Sylvia and a host of nieces, nephews, cousins and other relatives. Edward's laugh was contagious and will be everlastingly missed and Edward will always remain in our hearts.

To the friends and other relatives.....

While every effort will be made to ensure the live-stream takes place seamlessly, platform-related interferences can occur that are outside of our control. Though it has been a rare occurrence in our personal experience, it is not unheard of and we take precautions accordingly. In the unfortunate event that the live-stream was to disconnect, a new live-stream will be created immediately to continue coverage of the remainder of the service and a link to the new live-stream will be provided in the comments and description section of the initial live-stream that was disrupted.
