“ Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29

“ My deepest sympathy goes to Dr. Ridgeway's family. My prayers are with you.
I was a student of Dr. Ridgeway, at Bowie State University, where she was the director of the Family Nurse practitioner Program. She poured so much into my life and all I am today is a direct consequence of her hardwork, generosity and dedication to my class. Her loss is greatly felt and the BSU program will never be the same without her. Although I graduated in December 2011, Dr. Ridgeway was instrumental in helping me find a job as an FNP. She did same for many of her students. My heart aches, knowing she is gone for now. But I find comfort in the fact that I will see her again. We'll see again Dr. Ridgeway. Love you always & forever. Your Student, Fri Longtchi
