I worked with Miss Elgin in 1983 at the Department of Labor. I was a summer hire. Sometime in the early 2000s, she accidentally called me. Her name came up on my caller ID. And I said "Miss Speight, I used to work with you many years ago at the department of Labor." I tried to remind her, but I don't know if she remembered me. She was a wonderful lady. I loved working with her and she had a lovely disposition. After all those years--what a funny accident for her to call me!
