“ *My Dearest Bernard
You have always been heads above the rest, Spending time with you (almost 28 years) has been the best. You always made me feel loved.
I am grateful for the years we had together; I am glad even though our together time is gone. It is now time for me to say goodbye, as my eyes fill with tears, I just don't know what I will do without you.
Bye Bye My Love,
Always Geraldine*

To my uncle Bunk, you have received your wings. You left us down here all alone. Your stern voice, contagious smile and those white socks. Oh! I am going to miss you. Thank you for supporting all of my craziest and attending my events. Your mission on Earth is now complete. Take your place in paradise and rest in the arms of Jesus.
Love Karen

Uncle Bunk, you were the it takes a village to raise a family type of guy. You always greeted me with a big smile and hug. I know that when the gates of heaven open your mom, dad, Aunt Vi an Uncle Furman were there welcoming you with opening arms. You will definitely be missed by everyone who loved you. Rest In eternal peace. Love Shawn
