“ *Auntie is all I would call her because that is what I head others call her. I remember how she always welcomed me in her presence. Her beautiful smile and very soft demeanor always struck me as warm, gentle, mild , and sweet. I am so blessed to have met her and spent numerous times in her company along with my sweet Mother-in-law, Ellen Coffey.*

Both are now in the eternal presence of our Lord 🙏

I called my Aunt, Auntie. She cared for my mom and us as though we were her biological family. My mom Ellen came to Washington when she was a young girl and Auntie cared for her and later over the years all six her children as if we were hers. She is with my mom and siblings in heaven now to worry no more. Thank you Auntie for loving us and I love you. Till we meet again.

Missing my Grandmother, I'm ROBERT COLLINS the son of WILLA MAE HARRIS. Even though many years have lapsed the memories of you are still strong inside. I recall the smile of joy on your face when we came to DC to visit. I only wish that I had come to visit you more

Dearest Family of Auntie (Ethel Little)

I am truly saddened by (Aunt Ethel's) death. Auntie was more than just a great aunt , she was an an amazing person . She was always so kind and considerate to me that I always welcomed seeing her during our Family Gatherings that it be birthdays, cookouts , traveling or whatever the occasion may have been.

Her passing will not only leave a void in my life , but in the hearts of everyone who knew her. Auntie memory will always remain deep within my heart .

I join with so many others who knew Auntie in offering our deepest sympathy on her passing .

Although it is little consolation at this sad time, it should be of some satisfaction to know that in her passing you can celebrate the end of a very long and productive life .

The measure of a life well~lived is not in how much money one has or what possessions they have accumulated, but rather through the lives they touched and the sorry they leave behind. If the outpouring of sympathy on her loss is any indication, and it most certainly is, you can proudly and confidently say that her life indeed was well- lived.

May you find peace and comfort in knowing that this loss is felt by all who knew and loved Aunt Ethel .

*With deepest sympathy ,
