“ Evelyn was a wonderful sister to my husband Waverly. He loved her very much and so did I. He has Alzheimer's now and can't remember but I believe deep within him the memories are still there. Our prayers are with her husband and son and the rest of the family. Rest on in the arms of our loving Father sister.

“ Rest in Peace Evelyn. Your memory will live on fondly in the minds of so many friends you that made a long the way including me.

“ Miss Evelyn was one of the liveliest and craziest ladies I've ever had the pleasure of working with! She would keep me laughing all day, sharing stories about her hometown and when she was younger. She was always very positive in the face of setbacks. I remember our little excursions after work. She will be very much missed.
