“ *Your strength pulled me out of many floods in my lifetime. While I wasn't the greatest daughter, I carry many of your traits. We butted heads many times but, I know you loved me, as I did you. So, let that be our secret bond. When you loved me most and I loved you most. Remember me when I was my bravest and I did you right. I love you "Leen". I was ever so lucky to have you as my Mother. Forever in my ❤️. Your daughter, Teresa Everlena Ewing*

“ *My beautiful Mom,*

*Words cannot express how deeply I miss you. Not a day goes by that I don't think of you. I miss seeing your face, hearing your voice, and calling you three or four times a day just to check on you and say I love you.*

*You were my strength, my comfort, and my guiding light. Your love will forever live in my heart, and your memories will stay with me always.*

*Though you are no longer here with me, I find peace knowing you are resting. Continue to sleep in heavenly peace, Mom. God has gained a truly beautiful angel.*

*Until we meet again, I will carry you with me in my heart, in my thoughts, and in everything I do.*

*I love you always and forever.*

*Charlene*
