“ Aunt Francis will truly be missed. She did so much for my family, from taking care my brother and I as children, as well as my daughter. My heart is so heavy, but I know she is in a better place, now. My prayers are with Uncle Jack, Lisa, and Elliot. May GOD continue to shine his light on the family. I love you all.

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Be encouraged.

“ To my Uncle Jack, Lisa and Elliot -- please find comfort in knowing we love you and stand by you as family should. We will move forward, strengthen where we may be weak and try to move past what makes this loss sting so bad right now. However, we will always have those special memories that will never be forgotten and those memories are what will turn light on what is so dark today. I loved my Aunt Francies and miss her. May God continue to bless us all.
