“ Dear daddy,

I miss you so much daddy! Life is really hard without you. I miss your presence and everything about you. You wasn't just my dad you was my best friend. You were the best father in the world and an awesome grandfather to my kids. We miss you so much especially Riley...she talks about you a lot. This summer was really hard without you. You were my hang out partner we would've had a ball this summer. I know in my heart you're at peace because you told me you were tired. I'm glad you're not suffering and in pain anymore. I'm being selfish because I want you back but I know God needed you more. I might not feel you in the flesh but I know your spirit is with me. I will always love you daddy and one day we'll meet again and we'll dance in the sky. Until then please keep watching over us. Rest In Peace daddy we love and miss you!

*Yours truly,
Francis Daughter Robin*

“ Francis,
Your handsome face,
Your infectious smile, I'd thought you would
stay a while.
I looked around and now you're gone, but
your spirit is left to carry on.
May the soul of the faithful departed,
Rest In Power.
We thank you for the journey.
Till we meet again. CJ
