“ Sylvia, Michael, and the entire Summers family, you have my sympathies on the untimely and unexpected loss of your husband and brother. I knew Freddy primarily as a tennis player, and he always gave his competitive best, no matter who he was playing against. He studied the game and loved to practice, always striving to be better. I and the guys down at Carsondale Park, send our blessings to you and hope for your comfort during this time of sorrow. Freddy summers, gone too soon. He will be missed.
