“ My Aunt Genice whom I had grown closer to in the last six years. I've found her to be a faithful believer in the Almighty God. Most of our conversation always led to the Lord. I will miss the prayers we shared. Even though we lived miles away I felt her humble presence through her soft spoken voice on the phone. May God continue to comfort her children. MY deepest sympathy, Gaye

To the family of Cousin Genice how could we ever forget our upbringing and the legacy that was left behind of all our relatives that are gone. I remember Genice always resembled her father Uncle Sam Dark a mighty man of God. Condolences to our family from your cousins and the children of the late Lonnie & Thelma Bowden. May you find strength in God
