“ *Man I don't even know what to say , I can't even accept the fact that my Great grandfather is gone . It's already been 6 years George , I still can't stop thinking about you , or how much stuff you did for me , sometimes at night I just want too break down and ball my eyes out thinking about YOU George . You lived a beautiful life my love . There's been times I just want to bash myself for not spending enough time with you . Not a day goes by I don't think of you , I miss you so much man I just wish I had 5 more minutes to have a conversation with you , I miss talking too you I miss sitting down in the dining room sitting watching tv with you , I miss laying down in the bed with mama & she'll make you sleep in the chair 🥺 just too take care of me when I'm l'll and your taking care of me , I miss when you helped me with my math homework when I didn't understand, I miss everything about you I miss hearing your voice , seeing You on every holiday, birthday, celebration, EVERYTHING George , I couldn't even bare looking at you in that casket , just thinking like damn I really could've spent more time with you we All miss you very much , Well all be up together again like a happy BURKS & RICHARDSON FAMILY IN ANOTHER LIFETIME BEAUTIFUL 🥺🥺👍👍* ”
