“ *Mona-Blessings to you and your children. I worked for many years with Greg and he was the first physician who stood across a stretcher from me in the PACU and prayed over a patient. He was kind, loving and always had the biggest smile on his face no matter the circumstances. I'm sorry for your loss, but so much God and Glory's gain. I know he is watching over you and your precious children. His race over, his job is done and now he is at peace. May you have nothing but good memories of this good man. In Christ, Joyce StaubsQ*

“ I remember Gregory when he did his rotation at HUH in the ER where I worked many moons ago. Didnot imagine I would later marry his uncle. I will continue to pray to God for strength, caourage and uphold you and your family with God's right hand of righteousness.(Isaiah41:10) I am sorry for your lost. I beleive he's in Heaven where there is no pain,suffering or sickness, because the last time I spoke to him he had given his life to Jesus Christ. So I'm rejoicing. So may God continue to bless you and family. Thanks for allowing me to share

“ *Greg Johnson was a child of God and served Him. Greg loved to talk about the things of God and share the good news of salvation found in Jesus Christ. To me, Greg was a light during some tough times. He brought me scripture to comfort, encourage, and sometime convict. He was never timid with his Godly council and spoke boldly what he knew God would want. I thank my Lord and Savior, Jesus Christ, for allowing me the great honor of being Greg's good friend. Rest in peace Brother. We will meet again, Joyce*
