“ At an early young age, the Lord placed a wonderful woman in my family’s life with beautiful twin daughters. We all became close and I began dressing like the twins whenever I could so we could be triplets. A bond was established between the two families and still stands strong today. Ms. Hattie played a big role in the upbringing of my siblings and I and we will always remember her love and firm hand. Thank God for caring neighbors as herself and she will truly be missed! Rest on Ms. Hattie and looking forward to seeing you in the earth made new!
Your other daughter ,
