“ *I was on facebook and always checking to see how nate and everybody was doing and didnt know that Ma Blakey died until her nephew Donald Lee said that he will miss her a lot. Then I know but I cannot believe that she is gone. I cannot believe that she is gone. She died a day after my birthday which was October 8th. I will definately miss her because I used to go over there a lot. I am crying as I am writing this.*

“ You will be missed. I told you this before, thank you so much for taking my husband (Renzo) into your home many years ago, and becoming a Mom to him. Love always, The Haley Family
