“ Rest in Peace Poppie! I miss you so much. As I sit here and the tears begin to roll as I write, I wish I got to experience life with you as a high functioning adult. You witnessed me go through so many stages in life but this one where I am living as my best self. I hope I am making you proud. i miss those rides to work listening to 102.3, those after school L store runs where you would grab me a snicker. It was our thing. To the most consistent man in my life, who loved me no matter what and always showed up for me. You taught me to be the Bolding that I am today. Without you there would be no me. I continue to carry your legacy until the day I cant. With Love, your favorite granddaughter Ps. Tell mama I love her too.
