“ *Etta, Arlene, ShaVon and family. I will truly miss your Mom. I want you all to know that I share your loss. She was a very special Aunt to me. I can still see her smile and laughter in my memories. When you sit back and reminisce on the good times you shared with her -- I pray that God comfort you. Please let her legacy live on through your love for one another. I will continue to pray that God strengthen you and bring you peace during this difficult time. If you ever need to chat or sit and have a relaxing day of going out to dinner, movies, etc. I'm just a phone call away. Love you all. May God Bless You All.*

“ It's the little things, the small everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles. You and your family are in our every thought and prayer.

“ I will continue to pray for the family for strength and comfort. Ms. Johnson will be truly missed. I will remember all the times Etta, Ms. Johnson and I going shopping and of course stopping for food. She had a sense of humor and I would always tell Ms. Johnson stop showing off. May the family always find comfort in all the great memories.

“ I will always remember you opening up your home to me when ShaVon and I were younger. Your fried chicken was the best. You cooked for us like it was Sunday on a weekday. You were a wonderful woman, and you will be greatly missed. My prayers are with the family at this time.
