“ I met Mrs Farrell several times. I remember her kind and very pleasant demeanor. I wish I had spent more time with her..she had that type of effect on me. May her soul rest in GOD'S heaven

“ I wish I met Isabella earlier on in life. I am so grateful for her beautiful family. I feel that I know her better through all of them. She has a big loving family that I am honored to be part of. I have gained thoughtful aunts, uncles, cousins, an amazing mother in law (whom I think of as my mom), the perfect husband and beautiful children in this family. So I want to thank you Isabella for raising this wonder family from which I have become happy to be part of. I am so glad my children had the opportunity to meet you. Julius aka JR has always talked highly of you and I know why, it shows through the family. Again, thank you Isabella for letting me be a part of this great family, we will miss you. -Rachel Hawkins

“ My Mother, I missed you, I will missed looking into your hazel eyes, holding your hand, sharing stories about your childhood, and how you met your late husband (George Farrell,). I remember bring my friends to the house to meet you, because I was so proud to have lovely, friendly, and talkative mother. Your knowledge, and wisdom, help me to make the right life decision. I just want to said one more time THANK YOU.

Love you

“ GeeGee was the most giving and forgiving person we have ever known. She exuded kindness in everything she did. She easily and readily put others before herself. Her compassion and ability to see the other point of view will be sorely missed. She was a wonderful grandmother and great grandmother and her smile and gracious ways will be missed.

Love You Always,
Shena, Samantha, Erik, and Elijah
